In

Applying Virtue Ethics to Our Treatment of the Other Animals

Applying Virtue Ethics to Our Treatment of the Other Animals Applying virtue ethics to moral issues should be straightforward After all, it basically just amounts to thinking about what to do using the virtue and vice terms "I mustn't pull the cat's tail because it's cruel," I ...

Animal Research Ethics - The Hastings Center

moral objections because of the suffering it can cause the animals Though animal welfare laws in the United States and abroad have reduced the number of animals used in biomedical research and ameliorated their pain, ethical concerns remain, and it is not only animal rights groups that have them, but

Animals & Ethics 101: Thinking Critically About Animal Rights

We will also survey general moral theories that imply that we have few if any, moral obligations to animals and other arguments given in defense of various uses of animals One challenge for learning about ethics and animals is that there are fewer defenses of harmful animal use developed by professional ethicists than critiques of animal use

Care Ethics and Animal Welfare - Wofford College

The reason to oppose animal suffering from the perspective of care ethics is not because we wish to maximize utility or consistently apply our rights theory across species, but because we have relations with animals and care about them By grounding human beings' moral duties to ...

Florida State University Libraries - FLVC

Animal Euthanasia as a Case for Human Euthanasia: A Thought Experiment Think about why we euthanize animals: we euthanize them because we feel remorse for their pain and suffering Furthermore we are aware that in their old age, matters will only worsen We might feel conflicted when euthanizing our pets because we cannot explain to

All Animals Are Equal

test we choose it simply is not true that all humans are equal Like it or not we must face the fact that humans come in different shapes and sizes; they come with different moral capacities, different intellectual abilities, different amounts of benevolent feeling and sensitivity to the needs of others, different abilities to

Can Animals be Moral Agents? - Cal Poly

Can Animals be Moral Agents? E&A IV/2 Can animals act as moral agents? Can they be held to have fulfilled or derelicted moral obligations, or to have acted rightly or wrongly? Like most philosophical problems, it all depends Worse, like the great majority of philosophical problems, it depends not just on empirical facts, but on the

A Kantian Case for Animal Rights

II Why We Must Regard Animals as Ends in Themselves III Why We Have Moral Duties to Animals IV Why Animals Should Have Legal Rights V Conclusion I Introduction Kantian moral philosophy is usually considered inimical both to the moral claims and to the legal rights of non-human animals Kant himself asserts baldly that
