NATURAL REMEDIES FOR PREVENTING AND REVERSING ...

NATURAL REMEDIES FOR PREVENTING AND REVERSING ESTROGEN DOMINANCE IN MEN & WOMEN It's common knowledge amongst medical professionals that the key cause of uterine fibroids is a hormonal imbalance. Clinical studies indicate that fibroids are aggravated by an excess of estrogen in the body, and that fibroids can be

Maintaining Testosterone Levels Naturally

1 Maintain healthy body weight This is probably the most important thing a man can do. As belly fat increases, there is an increase in activity of the enzyme "aromatase," which converts testosterone in the fat cells to estrogen. Having less testosterone and more estrogen can deposit fat in areas of the body similar to women (breasts, hips
